'As it really come to this?

CUT TO:

EXT. CAMPUS - GARDENS

FRANKIE bends down over the graves of the fallen as soft, choral music starts to play.

There are so many MARKERS and we can see some of the names:

HEIDI CHARISSE. ELLEN MARKLEW. JUANITA DAVALOS.

ALITA KAGEMURA. DANA WELLS. ANNA SUTTON.

Frankie looks her, a BUNCH of FLOWERS in her arms.

FRANKIE (CONT'D)
Is this the future of the Slayers?

CUT TO:

INT. THEATRE

BRAEDEN cuts his MARK into the arm of an unfortunate SLAYER, grinning maliciously.

FRANKIE (V.O.) (CONT'D)

'ard for about to destroyed? Wiped
off the face of the earth?

CUT TO:

INT. CABAL HQ - CLONING LABS

Frankie's SQUAD, including REIKO, FRAN and TSULA speed along, KILLING CABAL DEMONS as they go.

Behind them, the C SQUAD of GABRIELA, CLAIRE, NEELA and TIA are busy killing as well.

PUSH IN on Frankie as Reiko SNAP KICKS a demon into the path of one of Gabriela's spells. Claire and Tsula tag-team one demon, BEHEADING it together and sharing a victorious smile.

Frankie's face is of pride and almost joy in herself, her Slayers. The legacy they share.

FRANKIE (V.O.) (CONT'D)

CUT TO:

EXT. CAMPUS - GARDENS

Back with Frankie who appears sad, mourning - before she
turns INTO CAMERA and smiles.

FRANKIE (CONT'D)
But that does not we won't give it
our best.

Battle music BURSTS IN as we PUSH IN on a pair of FIGURES
scaling a large, snow-capped mountain.

KICKING like hell!

CUT TO:

Before we can see the person, however...

CUT TO:

Dunstall lies on a bed, looking much worse for wear as Frankie approaches.

CUT TO:

A PLAQUE which reads: 'SUBJECT J'.

FRANKIE (V.O.) (CONT'D)
(beat; sighs)
