

ON BLACK:

SKYE (V.O.)
The dark times are coming for all
Slayers. Everyone.

CUT TO:

EXT. CAMPUS - ROOF - DUSK

SKYE sits on a rooftop, watching the sun set.

A DRUM BEAT is heard between each segment, building up.

SKYE (V.O.) (CONT'D)
Someone's seen this coming for a
long while. Someone's been planning
this for years.

CUT TO:

EXT. CABAL HEADQUARTERS

The former Cabal HQ in full profile as we PUSH IN.

SKYE (V.O.) (CONT'D)
And we thought we beat 'em. At
least for a while.

CUT TO:

INT. SUNNYDALE HIGH SCHOOL

WILLOW ROSENBERG throws her head back, GLOWING WHITE as her
Slayer Activation spell kicks in.

SKYE (V.O.) (CONT'D)
When we were activated, the world
was a much better place.
(beat)
Before the dark times started to
come.

CUT TO:

INT. CAVERN

BRAEDEN PLUNGES his DARK SCYTHE into the glowing Arctic Hub!

SKYE (V.O.) (CONT'D)
Before he came. And then we started
to lose the fight.

CUT TO:

EXT. CAMPUS - MORNING

The Academy is being overrun by CABAL DEMONS!

The line of waiting SLAYERS meets them bravely but some are taken down.

HOLD ON one African American SLAYER being SPEARED THROUGH the CHEST as she SCREAMS!

SKYE (V.O.) (CONT'D)
We're still dying. We're still
losing.

CUT TO:

INT. CAMPUS - INFIRMARY

Now, Slayers are extremely ill. One Slayer VOMITS violently into a bedpan while another begins having seizures.

DR. CAIRNS runs into view to hold down the seizing Slayer.

SKYE (V.O.) (CONT'D)
But now we're been stretched on all
fronts.
(beat)
We're losing more girls.
(beat)
We're dying faster.

CUT TO:

EXT. FIELDS - MORNING

The drum increases as we PAN ALONG several large fields as we TRACK a single FIGURE running.

SKYE (V.O.) (CONT'D)
But we'll keep on trying.

CUT TO:

EXT. WAREHOUSE - NIGHT

The warehouse BURSTS INTO FLAMES, spraying METAL and GLASS everywhere!

CUT TO:

INT. CAMPUS - DORMS

REIKO flips her FANS out and strikes a fighting pose, even as TEARS run down her eyes. She SOBS freely.

CUT TO:

EXT. STREETS - NIGHT

A TEAM of SLAYERS sprint through the street - just as a house behind them erupts into FLAMES!

CUT TO:

A CLOSE UP of ERIKA's face as she GASPS.

CUT TO:

EXT. FACILITY - NIGHT

A JEEP speeds towards a METAL GATE and SMASHES IT OPEN.

CUT TO:

EXT. CAMPUS - ROOF

Back on the rooftop with Skye. She looks melancholic before she turns directly INTO CAMERA.

SKYE (CONT'D)

But I don't know if that's gonna be
enough this time.
